Extra Innings Baseball program

These are semi private baseball/softball lessons that are structured exactly like the private lessons that have become so popular throughout the metropolitan area. Given by our Baseball Director, Teddy Craig, they have been very well received the last two summers.

Extra Innings Baseball

- All lessons will be given by Teddy.
- Open to campers of all ages.
- Lessons are one hour.
- One lesson per week/5 lessons total. First session campers will get all of their lessons completed before they leave.
- The goal is to increase each campers skill level, love of the game and self confidence.
- Lessons given throughout the day- early morning and evenings.
- Will not interfere with programs/activities.
- Focus is on core skills, with opportunity for campers to choose specific focus areas.
