

Camp Kennybrook 2010 Fishing Program

In 2010 we are excited again to offer this very special program at Eldred Preserve. Eldred is a very popular and unique facility that has three ponds fully stocked with trout and bass, that we have gone to in the past. This has always been an enjoyable and challenging program for our campers. Each camper will visit six times for the summer. The cost for this program will be \$125.00. That includes admission, equipment, transportation & T-shirt. No special clothing is required. You may bring your own fishing equipment if you want. To participate in this program please fill out the form below and mail it to the camp office with payment. The number of campers who can participate is limited so please sign up as soon as possible. This summer all campers of any age may participate.

YES! I wish to enroll my camper in the Fishing Program.
