

HORSEBACK RIDING

This summer we are pleased to return to the **Jukas Stables** in Pinebush, NY. Our campers experienced a very exciting and unique horseback riding program in 2008. The stable is located about 20 minutes from Kennybrook and is run by very enthusiastic and knowledgeable professionals who have run camp programs for many years. Their goal is for each camper to enjoy riding, improve their own abilities and learn to respect and enjoy the horses.

Campers do not need to have had prior riding experience to be involved.

Those campers who choose to participate will go to the stables once a week for three hours at a time.

Each week they will get approximately:

- One hour of semi private riding lessons
- One hour of trail rides and
- One hour to care, feed and learn about the horses.

REQUIRED CLOTHING: Long pants, shoe/boot with heel (no sneakers) and riding helmet. Camp Kennybrook will supply riding helmet, if needed.

The cost per child is **\$300.00** for the summer. If your camper would like to be included in this program, please detach and fill out the form below and return it to the camp office. Each camper will be guaranteed at least 12 hours at the stables.

(Please detach and return form below.)

I would like my camper(s) to be enrolled in the 2008 Kennybrook Horseback Riding Program.

Camper's Name(s)

Present Grade(s)

Camper Horseback Riding Experience (include approximate number of hours of riding):

Beginner

Advanced

Intermediate

Hrs. of riding experience: _____

The cost will be **\$300.00** for **approximately 12 hours**. I have enclosed payment of **\$300.00**
